* Period 11th October, 1930, to 31st March, 1931. † As a result of the passing of the Employment Promotion Act, 1936, the Unemployment Fund was abolished from 31st May, 1936, and merged in the Employment Promotion Fund. The figures for the year ended 31st March, 1937, therefore comprise receipts and payments under both the old and the new legislation. ‡ From 1st June, 1936, administration expenses were provided from the Consolidated Fund under vote, Labour. The amount expended from this source to 31st March, 1937, was £189,720, of which the sum of £60,000 was recouped from the Employment Promotion Fund, and is included in the amount of £76,445.
