Nores.—(a) No liability is included for interest on loans redeemed out of Public Debt Rapayment Account. (b) The two accounts, previously known as "Construction" and "Revenue," were amalgamated as from 1st April, 1936, and the account is now termed the "Main Highways Account." The segregation of this account for balance-sheet purposes is under consideration with a view to the framing of future balance-sheets on the "double-account." system.

I hereby certify that the Income and Expenditure Accounts and Balance-sheet have been duly examined and compared with the relative books and documents submitted for audit, and correctly state the position as disclosed thereby, subject to the departmental notes enfaced thereon.—J.
