R. S. A. BALL AT LUMSDEN.

On Friday evening last a most successful plain and fancy dress ball was held in Crawford's Hall, Lumsden, under the auspices of the local Returned Soldiers' Association. The hall was attractively decorated with flags and evergreens. There were over 100 couples present and nearly 80 couples were on the floor at one time. The Grand March was led off by the president, Mr A. G. Small and Miss McDonald. There were not many fancy costumes, but the evening dresses were in remarkably good taste and in many cases beautiful gowns were worn. Excellent music was provided by an orchestra consisting of Miss Corkhill (piano); Messrs E. McDonald and W. Sinclair (violins) and R. Mc-Dowall (cornet). Messr₈ A. McDonald and E. Soper acted as M.C.'s. Extras were played by Mr J. Christie (bag-pipes). Mesdames F. Crosbie and Geo. Small and Miss Thompson (piano). Supper was served in a marquee at the back of the hall and it was remarkable for the generous provision of trifles, fruit salads, fruit and the usual cakes etc. The committee of ladies who managed this department are deserving of unstinted praise for their efforts in this relation. Owing to good management, too, the large number of patrons were handled without any unneces. sary bustle. The members of the commit. tee of which Mr Gordon McKinna was secretary, are to be congratulated on the completeness of the arrangements. The dancing ceased at about 5 a.m. on Saturday morning.

R.S.A. EXECUTIVE.

The usual fortnightly meeting of the above executive was held recently. The President, Mr D. M. Rae in the Chair. Present: Messrs Grieve, Stead, Sutton, MacGregor, R. B. Caws, McKenzie and L. Graham, Secretary.

Apologies were read from Messrs Gil-

bertion and Cuthbertson. Correspondence was read dealing with the delay of the Minister of Lands in approving of loans recommended by the Land Board, and which had resulted in the sale falling through. From headquarters stating that the resolution dealing with T.B. men had been considered and Parliament was likely to improve conditions. Letter from Minister of Railways stating that he was receiving a report regarding local conditions for employment in the railway. The R.S.A. members at Mataura Island wrote asking a sub-association be formed. It was decided to make necessary arrangements. There was considerable discussion over the attitude of the Electric Power Board in not advertising positions vacant and the following resolution was unanimously carried. "That this evecutive approve of the action of "The Digger," in taking exception to the Board's attitude in not giving preference to Southland men for the more lucrative positions in the Board's employ and affirms the principle that all positions should be advertised, and applicants placed on a competitive A resolution conveying the sympathy of the executive to Mr Garfield Crawford in his recent sad bereavement
